Dated: 05/06/2012

It has reference to the System Meters (Ring Fencing, Substation Feeder, HT Consumer & DTR meters) installed in the 14-towns covered under R-APDRP (Part-'A') Scheme. Please take the following points into your consideration:

- i) The new locations, of the system meters being shifted from their previous locations. be intimated to this office immediately.
- ii) If there is some technical up gradation (CT or CT/PT ratio etc.) in the vicinity of the system meters, intimate same to this office.
- iii) It has been observed that, at some of the places there is water leakage in the Plastic Boxes of Non-DLMS (legacy) L&T meters due to which the modems installed along these meters are getting damaged. Replace such meter boxes immediately.
- iv) Lock all the system meter boxes, housing the modems antenna and SIM card; in order to ensure the security against any kind of damage or theft.

Keeping in view the above points, you are requested to ensure the protection of all the System Meters (Ring Fencing, Substation Feeder, HT Consumer & DTR meters) and the modems installed in your project area(s) covered under R-APDRP (Part-'A') Scheme.
