Sub: Request for nominations in the 6th Conference on 'Advances & Innovations in Substations Technology including use of Composite Insulator' on 28-29 June 2018 at Hotel Le Meridien, New Delhi - reg.

Dear Sir,

✓ The Central Board of Irrigation and Power (CBIP) and CIGRE India jointly with Shemar are organizing 6th Conference on **'Advances & Innovations in Substations Technology including use of Composite Insulator'**:

Dates : 28-29 June 2018

Venue : Hotel Le Meridien, New Delhi 110021. ✓

A copy of the Information bulletin giving details about topics, registration fee etc. is enclosed for kind information please.

The aim of the conference is to provide a forum for open discussions and exchange of information on the latest state-of-the-art technology to come out with positive/concrete recommendations on the subject.

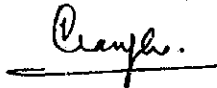

The eminent experts from POWERGRID, CEA, BHEL, NTPC, State Utilities, DISCOM, and Manufacturers from India, Germany, China and other concerned organizations are going to make presentations during the above conference. We have also plan to include few case studies and request to send the paper by **30th May 2018**.

The topics for Conference as mentioned in the Information Bulletin (attached) have been identified keeping in view the present-day scenario and we are sure that the deliberations during conference will be useful and benefit the participants and they will have an excellent opportunity to interact and exchange their views.

We seek your kind cooperation in making the event successful and request you to kindly arrange to nominate a few officers from your organization to participate in the Conference.

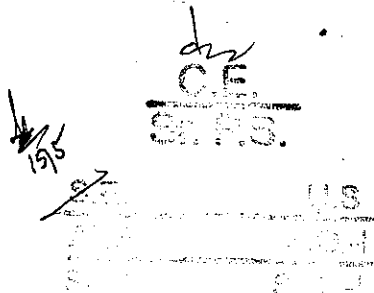

Thanking you,

Yours faithfully,

V.K. Kanjlia
Secretary
