Subject:- Non-Compliance in the matter of uploading of MRI data of 50 kVA and above consumers

Ref:- These office letters No. HPSEBL/CE (Comm.)/ SERC-76 /2017- 1782-1801 dated 12.5.2017, 2536-52 dated 24.5.2017, and HPSEBL/ CE (Comm.)/APDRP-Billing/HCL/Vol-41/2017-1799-1971 dated 5.7.2017

Sir,

Please refer to the office letters mentioned in the reference. It had been requested that MRI data of all the 50 kVA and above consumers had to be shared with head office by keeping it in the shared network on the URL \\172.16.10.65\MRI Data as per the directions issued vide letter No. mentioned in the reference dated 5.7.2017. In this regard, it is regretted to point out that even after the lapse of twenty days of month of July, the MRI data of the month of April, May and June has not been placed on the shared network.

In view of the above, it is again requested that the MRI data for the billing month of April, May and June be uploaded on the shared folder immediately for the entire consumer base of 50 kVA and above. Please note that the data of the each month be kept in the folder of that particular month only and the data should be shared in respect of all the 50 kVA and above consumers. Further, it is requested that the data of the future months has also to be shared on regular basis by uploading it on the shared folder by 5th of every month.

The matter should be assigned top priority. Any non-compliance shall be viewed seriously and personal responsibility shall be fixed in case of non-uploading of data.

Yours sincerely,

(Er. Kaushalesh Kapoor)
